St. Joseph
March 19

To the other Saints, it appears that the Lord may have granted power to succor us on particular occasions; but to this Saint, as experience proves, He has granted power to help us on all occasions. Our Lord would teach us that, as He is now pleased to grant whatever Saint asks for in heaven. Others who I have recommended to have recourse to Joseph, have known this form experience. I never knew any one who was particularly devout to him, that did not continually advance more and more in virtue. For the love of God, let him who believes not this make his own trial. And I do not know how any one can think of the Queen of the Angels, at the time when she labored so much in the infancy and childhood of Jesus, and not return thanks to Joseph for the assistance which he rendered both to the Mother and to the Son.

New bulletin announcements and prayer requests must be submitted by noon on Wednesday to be included in the following Sunday bulletin. Send to bulletin@smastl.org. All requests subject to parish priest approval.
